Subject: EPA SWPPP submittal question

Emilio,

My name is Andrew Seeberg and I am with Bartlett & West, Inc. We are working with Panther Development Investments, LLC to address concerns of sediment discharging off-site in regards to a letter (Ref: 8ENF-W-NP) dated November 13, 2014 addressed to Mr. Alex Moreno. The original contact at Panther, Bruce Lott, who you may have talked with previously is no longer employed with the company. We originally completed a SWPPP for Black Eagle Estates, however we completed a North Dakota SWPPP form. Before Bruce's departure we didn't receive concrete information on whether or not to resubmit a SWPPP to match the USEPA SWPPP template. We have taken the initiative to complete this form. We have also completed the White Oak Trailer Park SWPPP on behalf of Panther. We are looking for clarification as to where to submit these forms. Considering the priority of these sites, and future submittal of SWPPPs, we were wondering if we should submit them directly to you or if there is submittal portal on the EPA website. Please email back at your convenience. Thanks for your time!

Thanks,

Andrew Seeberg
